

Island Ventures

Island Ventures is a small, family and personal company, established in 1992, specialising in offering select Birdwatching & Wildlife Tours mainly around the British Isles “for the more discerning” plus several continental destinations. I personally guide all the Tours described, often accompanied by my wife Elizabeth. We take great pride in that over 85% of our business is with repeat custom. *Island Ventures* aims to offer:

This year we celebrate our 20th anniversary and with more and more guests asking for additional destinations around the British Isles, we are very pleased to offer six new Tours, most of which will be under the banner “*In Comfort & Style*”. These include venues to the **Solway Firth** and to **All The Outer Hebrides**, further south to East Anglia embracing **Norfolk** and **Suffolk**

and then south-west to **The Somerset Levels**, whilst we shall also be repeating The Scottish Highlands, The Borders & The Jurassic Coast, Devon, all of which were new for last year and proved hugely popular. Finally we shall be repeating our classic Tour across the water to Northern France in both the Spring & Autumn, again avoiding aeroplanes!

If you have travelled with *Island Ventures* before I trust very much that we may look forward to your company again this year. If however, you are contemplating booking a Tour for the first time, please do not hesitate to contact Sarah Smith in our Office **09.00-15.00 Monday, Wednesday & Friday** for any further information, no matter how trivial it may seem. Regular *Island Ventures* Updates are sent out throughout the year with detailed information of current vacancies plus new destinations available. In booking a Tour you can be assured of committed personal attention throughout and we look forward to having the opportunity of meeting you during 2012.

Sarah,
Australia
