Island Ventures is a small, family and personal company, established in 1992, specialising in offering select Birdwatching & Wildlife Tours around the British Isles “for the more discerning” plus various overseas destinations. I personally guide all the Tours described, often accompanied by my wife Elizabeth. We take great pride in that over 75% of our business is with repeat custom.

Island Ventures aims to offer:

- * Personalised groups
- * Relaxed, unhurried & informal style
- * Fully researched destinations
- * Experienced local guides [where applicable]
- * Superior accommodation
- * Warm welcome to beginners & single travellers
- * Easy walking & suitable for all ages
- * Excellent value for money

For 2010 we are continuing the theme of expanding our popular Tours around Britain, introducing **Suffolk, The Burren & Aran Isles, Ireland** and **Dorset**, the latter joining our very popular “*Birding in Comfort & Style*” Tours for Northumberland, The Shetlands, Cornwall and

The Isles of Scilly at *Hell Bay, Bryher & Island Hotel, Tresco*, with all the venues combining super Birdwatching with excellent accommodation and cuisine.

Since *Island Ventures* works closely with *WildWings*, then for those Tours abroad to Spain & Hungary, monies and bookings are made direct by the client to *WildWings* [ATOL 5429] for which we act as agents. *WildWings* bookings forms and conditions apply accordingly.

If you have travelled with *Island Ventures* before I trust very much that we may perhaps look forward to your company again this year. If however, you are contemplating booking a Tour for the first time, please do not hesitate to contact Sarah Smith in our Office **09.00-15.00 Monday, Wednesday & Friday** for any further information, no matter how trivial it may seem. Regular *Island Ventures* Updates appear on our website www.islandventures.co.uk In booking a Tour you can be assured of committed personal attention throughout and we look forward to having the opportunity of meeting you during 2010.
